Tuesday, November 25th 2014

Meeting location: LC-Building "Galerie"

08:15 Coffee and tea

08:30 **Opening and welcome**
Per-Olov Karlsson, Chairman NETLIPSE Executive Board, Swedish Transport (SE) Administration

08:45 **Presentation and small group discussion on experiences with the Partnering Approach**
The client and contract perspectives on partnering will be presented after which questions can be asked for clarification. The group will then subdivide into smaller groups for group discussions on the issues encountered in partnering contracts and how to deal with these. The groups will report back to the general room what their conclusions and findings are.

The client perspective: Prof. Konrad Spang, University of Kassel (DE)

The contractor perspective: Peter Fischer, STRABAG (DE/AU)

10:30 Coffee break

11:00 **Small project: contracting & tendering**
CEDR Procurement Working Group Horizon 2020 research request
Erik Stig Jørgensen, Procurement Coordinator, Danish Road Directorate (DK)

11:30 **NETLIPSE update**
The NETLIPSE Programme: what have we achieved in 2014 and what will we focus on in 2015?
Pau Lian Staal, NETLIPSE Programme Director (NL)

12:00 *Marketing & Communications: the renewed website and NETLIPSE members: who are they and where do they come from?*
Tom Kremers, NETLIPSE Programme Manager (NL)

12:30 Lunch

13:30 **NETLIPSE project: initiating the NETLIPSE academy**
Developing public sector project management skills is an important NETLIPSE theme. Discussion with the room on first initiatives (between Rijkwaterstaat (NL) and Trafikverket (SE) and how to move forward.
Per-Olov Karlsson, Chairman NETLIPSE Board, Trafikverket (SE)
Pau Lian Staal, NETLIPSE Programme Director (NL)

- 14:00 **NETLIPSE Scientific Programme update**
Prof. dr. ir. Marcel Hertogh, Delft University (NL)
- 14:30 **Perspectives on Project Success**
Results of the Masters research into European public project management perspectives of the public side of public private collaboration in the increasingly international construction industry. The objectives of this research are to expose public managerial point of views on project success in different EU countries; to indicate how cultural differences affect manager's perspective on project success; to propose learning opportunities in a European context.
Laura Coman, Technical University Delft (NL)
- 15:00 **New Research Project: Structural and Behavioral Enablers for Partnering Projects**
WU Vienna plans to conduct a systematic literature research and several case studies. It is part of a wider research program on managing partnering projects, which includes different perspectives such as Governance, HRM, Leadership and Sustainable Development.
